Oldridge's Balm of Columbia.

THE HUMAN HAIR. - Where the hair is the Public that he has taken the large, new and splendid City Homore preposterous than the use of oils, grease, or trail at Otawa, where he would be any fatty matter. Their application can only be recommended through the grossest ignorence, as they hasten the fall of the hair, by increasing the relaxation of the skin. When there is a harsh, of no avail. There must be a stimulus, to rocse the vessels from their torper, and quicken the culrent of the blood.-Extract from Clirchugh's

Treaties on the huir.

The Balm of Columbia is the only preparation that can have that effect, being entirely free from any oily substance. Its positive qualities are as

1st-For infants, keeping the head free from scurf, and causing a luxuriant growth of hair, 2d-For ladies after child-birth, restoring the skin to its natural strength and firmness, and preventing the falling out of the hair. 3d-For any person recovering from any debil

ity the same effect is produced. 4th-If used in infancy till a good growth is started, it may be preserved by attention to the latest period of life.

5th-It frees the head from dandruff, strengthens the roots, imparts health and vigour to the circulation, and prevents the hair from changing colour or getting gray. 6th-It causes the hair to curl beautifully when done up in it over night.

No ladies' toilet should ever be made with-7th-Children who have by any means contracted vermin in the head, are immediately and per-

fectly cured of them by its use. It is infa!lible.

A CASE IN POINT.—I had unfortunately lost nearly all the hair from the top of my head, when I commenced the use of the Balin of Columbia. Ladies Plain and Quilted Saddles, Suidle Bugs, Carpet Bugs, Portmanteaus. bia, and have, by the use of two bottles, had my head covered with a fine growth of hair. There can be no mistake in the matter, as any of my friends can see by calling on me. I had also become quite gray, but had the gray hairs plucked out, and it has grown in, as the Balm says, of the natural colour. If any body doubts these facts, let them call upon me and sec. I bought the Baha of Coms ock & Co., 2 Fletcher street,

No. 10 Cognities Slip, Agent of Detroit Line, New-V ork, Nov. 9.

THE LATE MAYOR of Philadelphia has certified under seal of the city to the character of BLE, which is offere low for several divines, physicians, and gentlemen of high stunding who declare positively under their own hand: (all of which may be seen at the Office) that the Balm of Columbia is not onely a certain we ervative, but positively a restorative of the

PROPOSALS For publishing in the town of Ottawo, La Solle county, Ill., a weekly newspaper, to be ontitled THE ILLINOIS FREE TRADER.

IN proposing to establish a newspaper in the town of Ottawa under the above title, we are encouraged by the bright and magnificent prospect before this highly favored region of country. which seems destined, at no distant day to be, ooth in a manufacturing and commercial point of view second to none in the "Great West." When we take a retrospective view of this

and artificial advantages, and see the prosperous and flourishing condition of the towns and villages within its precincts, we cannot for one moment doubt that a public journal devoted to the best interests of its inhabitants, will receive a liberal patronage from an intelligent and enterprising community. The establishment of the "FREE TRABES"

section of contrary presents for investment and to encourage emitation and rettlement among us. To the FARMER W. promise a liberal space of our columns, and assure bim that the "FREE TRA-DER" will not be unminches of his best interests. He shall at all times be advised of the state of the markets-furnished with full an accurate information relative to the improvement of his lands

stock, etc., which will be furnished free periodi-

Counstock on splendid wrapper. This is the only external test that will secure the public from rally, we promise a full and impartial account of the "business world," as far as the same may con to our knowledge. Having made arm weements for the receipt of the ablest and hex comnercial journals of the Adantis tines, we will be able to give accurate information respecting the principal commercial transactions in that quarter, in conjunction with the latest foreign news, which at the present age is all important to the man of business, inasmuch as the Old and New World are closely linked together in their commercial transactions. We will furnish all the information we possibly can respecting the poper circulation of the country, and expose with un-

sparing hand, all attempts to force on the community a fraudulent and worthless currency. The MECHANIC and the PROPESSIONAL MEN we promise a share of our columns. Belonging to the first, we shall at all times be pleased to advocate and sustain their rights, and render such information as may tend to their prosperity and happiness; and viewing the latter as essentially necessary to the moral and political greatness of

situation may command,

treat the various diseases of the Illinois Valley on measures of the Democratic Paurs. The hose principles of science and philosophy which, "Free Trader," therefore, will be found on the side of democracy and the people's rights op-He would also state that he is prepared to treat posed to monopolies of all kinds, whether state chronic diseases, such as the various forms of national-opposed to all "officers for life," and Neuralgiu, Scrofala, and Enlarged Spleen, o. a will render all the aid in its power to the diffusion new plan, which has proven successful in an emi- of light and truth. The dark and artful designs of the monopolist, which have for a sea Office at the Drug Store of M. E. clouded the prosperity and well nigh ruined the commercial greatness of this mighty nation. should be exposed to public gaze, and every tree man in the land be made acquainted with theh operations.

We have taken our stand on the parapet of democracy from a full conviction of its purity, and w, the only safe-guard offered to the protection of the free institutions of our country. But, while we are the votaries of Democracy, and endeavor to perpetuate its permanency by suvorating the principles of JEFFERSON and JACKSON All others must be impositions.
